### Why go with UberX Share

#### Save money

With UberX Share you can save up to 20% when matched with a rider along your route. See terms.\*\*

#### Stay on schedule

UberX Share is designed to add no more than 8 minutes to your trip on average.

#### Be climate smart

Help your city avoid extra emissions and car travel by sharing your ride.

## Designed to help keep you moving

#### Request one seat only

You can request one seat only with UberX Share. If you're riding with a friend or a group of friends, consider requesting UberX or UberXL.

#### Updating our front seat policy

You will no longer be required to sit in the back seat. However, to give your driver some space, we ask that you use the front seat only if you need it.

### Be a 5-star rider

Our guidelines ask you to treat drivers and co-riders with respect, follow the law, and help keep one another safe. Not following any of our Community Guidelines may result in the loss of access to your Uber accounts.

### How UberX Share works

#### 1. Request

Open the Uber app, enter your destination, and scroll down to the UberX Share ride option.

#### 2. Ride

The app will try to match your car with other riders heading your way. Get additional savings if you're matched with a co-rider. See terms.\*\*

#### 3. Hop out

If your trip was 5 stars, consider saying thanks and tipping your driver in the app after your trip.

The material provided on this web page is intended for informational purposes only and may not be applicable in your country, region, or city. It is subject to change and may be updated without notice.

\*Everyone using the Uber platform is required to comply with applicable laws and regulations while doing so.

\*\*This offer is valid only for riders who request UberX Share and are matched with a co-rider. Matching with a co-rider is dependent on time of day, traffic, the number of ride requests, and the number of drivers available in a given area. Riders who use UberX Share will receive a minimum discount, and may receive more based on the time and distance traveled with a co-rider. See the app for details.
