

**Uber Impact**

## Making movement equal for all

We're moving people and places forward. Learn more about our [commitments](#), see how Uber is taking action, and discover who is part of our [global network](#).

### Our commitments

#### Economic empowerment

From drivers and delivery people to small businesses and communities, we're committed to creating positive opportunities for all.

[Find out more](#)

#### Safety

Developing programs that promote safety is one way we're helping to make safety a priority.

[Discover more](#)

#### Sustainability

From electric vehicles to food waste reduction, we're working to protect the future of our planet.

[See how](#)

#### Equity

Through anti-racism commitments, accessible services, and more, we help move people beyond biased systems.
